## OWN EVERY MOMENT

At the park with your kids, on the beach with friends or a keen adventurer enjoying a day out, Talkabout walkie-talkies from Motorola Solutions are a great way to keep in touch so you can focus on the moments that matter to you. With Easy Pairing and 16 license free channels<sup>2</sup>, these walkie-talkies are the ultimate gadget for anyone serious about style and simple communication.

Talkabout walkie-talkies deliver dependable, instant communications hands-free or at the touch of a button allowing you to live, enjoy and conquer every moment.

### EASY PAIRING

Pair and go. With simple, one-touch functionality, Easy Pairing lets you and your family or friends programme all of your radios to the same channel and code simultaneously. So now you can spend less time preparing, and more time exploring.

### INSTANT PUSH-TO-TALK COMMUNICATION

Loud, clear and instant, Push-to-talk (PTT) functionality means calling is quick and easy. Just press the button and talk - no waiting for dial tones or for calls to connect.

### PMR446 LICENSE FREE

Talkabout radios utilise PMR446 frequencies for easy, cost effective operations with no subscription or call charges. Talkabout radios are also compatible with any other radio operating on the same PMR446 frequencies.

### 16 CHANNELS

More channels gives more choice and reduced interference from other radio users so messages can get through first time.

## GO ADVENTURE

### YOUR PERFECT PARTNER FOR YOUR NEXT ADVENTURE

Durable, with an IPX2 rating, the T82 can take the drops and splashes you're likely to encounter on your treks. The new hidden display comes alive when you need it and makes calling easier. The Easy Pairing button makes setup a breeze. A built-in LED torch provides emergency light when needed so you can read your map in the dark. And with a range of up to 10km<sup>1</sup>, the T82 will ensure you stay connected.

## GO BEYOND

### KEEPING YOU SAFER AND CONNECTED IN THE HARSHTEST OF ENVIRONMENTS

The TALKABOUT T82 Extreme is the rugged travel companion you need on your wildest adventures. With an IPX4 rating, the T82 EXTREME is weatherproof - able to withstand the harshest environments. The new hidden display comes alive when you need it and makes calling easier. The Easy Pairing button makes setup a breeze. A built-in LED torch provides emergency light when needed so you can read your map in the dark. And with essential accessories and a range of up to 10km<sup>1</sup>, the TALKABOUT T82 Extreme keeps you in touch whether you're on the roughest treks or highest peaks.

All of this is wrapped in a handy carrying case and available in three versions: Twin pack with everything you need to get you started, Quad pack for larger groups and Remote Speaker Microphone pack that lets you speak and listen without having to reach for your radio.

## GO ANYWHERE

### COMMUNICATE ANYWHERE YOUR ADVENTURES TAKE YOU

Floating waterproof design<sup>4</sup>, rugged construction and up to 10km range<sup>1</sup>, the T92 H<sub>2</sub>O keeps you connected with family and friends. The integrated torch has bright white and red modes and will automatically activate on contact with water. Press the emergency alert button to activate a hands-free call and sound a loud warning tone on your radio to signal to others in your group that you need help<sup>5</sup>. Supplied with rechargeable batteries, mains charger with 2 micro USB plugs, belt clips with built-in whistle and a hard carry case, the T92 H<sub>2</sub>O has everything you need to stay connected during your wildest adventures.
